Sub:- POLICE- Anakapalli District – Forwarding the Letter of Advice along with material objects to RFSL, Visakhapatnam for analysis – Regarding.

Ref:- Cr. No. 144/2026 U/s 194 BNSS (Death due to Consumed poison) of Atchutapuram Police Station.

---@@@---

I am herewith sending letter of advice prepared by the T.Appalakonda, HC-311. Atchutapuram P.S along with material objects which were preserved by the Medical officer District Hospital, Anakapalli at the time of conducting autopsy over the dead body of the deceased person, through PC-2865 M.Pydiraju of Atchutapuram P.S.

Hence, I request to examine the material objects and send analysis report to the under signed at an early date.

Yours faithfully,

(B.MohanRao)

Deputy Supdt. of Police,
Parawada Sub-Division,
Anakapalli Dist.
Sub Divisional Police Officer
Parawada Sub-Division
Anakapalli District

LETTER OF ADVICE
(FORWARDING THE MATERIAL OBJECTS TO AN EXPERT)

1.	Station Name, crime no and sec. of law under which the cases to be charged.	Cr. No.144/2026 U/s 194 BNSS (Death due to Consumed poison) of Atchutapuram Police Station, Anakapalli District.
2.	Numbers of persons or animals effected.	One Male Person
3.	Number of deaths, if any.	One
4.	A brief history of the case with details as to the motive for the offence which where and how the offence was committed and other relevant particulars connected with the crime.	I submit that occurred in-between 09.07.2026 at 11.00 hrs to 11.30 hrs, Kondapalem Village, Pudimadaka Panchayath, Atchutapuram Mandal and

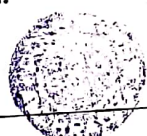

reported on sameday at 20.00 hrs, wherein the complainant Ummidi Satyavathi, w/o Kondayya, 35 yrs, Vadabalja by caste, R/O Kondapalem Village, Pudimadaka Panchayath, Atchutapuram Mandal lodged a report stating that she is a resident of Kondapalem Village, Pudimadaka Panchayat, Atchutapuram Mandal. She has two children. Her husband, Ummadi Kondayya, is engaged in the fish business. She further stated that on 09-07-2026, between 11:00 AM and 11:30 AM, while her husband Ummidi Kondayya s/o Somulu, 38 yrs, was lying inside their house, she was talking in front of the house with Koviri Bapanamma W/o Pentaiah. During that time, Bapanamma informed her that a smell of pesticide was coming from inside the house. Immediately, she went inside and found that her husband had consumed a pesticide, "EASY EPOXY HARDENER 2% CRYSTAL CLEAR," and was vomiting. She immediately took him to RMP Doctor Shankar, who examined him and stated that his condition was serious. Thereafter, she, Shankar, and her son Aravind shifted him in an auto-rickshaw to Pawan Sai Hospital, Atchutapuram, where the doctor provided treatment and informed them that his condition was critical. Immediately thereafter, they shifted him to KIMS ICON Hospital, Sheela Nagar, for further treatment. While undergoing treatment there, her husband died at about 4:00 PM. Hence, he requested for necessary action

On 09.07.2026 at 20.00 hrs, basing in the above report, Inspector of Police registered a case cited in the reference and endorsed the same to me for further investigation.

During the course of investigation, inquest was held over the dead body of the deceased on 10.07.2026 from 09.00 hrs to 11.00 hrs and sent the dead body for autopsy to the Medical officer, District Hospital, Anakapalli who preserved Viscera for chemical analysis. Case is U.I.
